

Remarks

Claims 1-26 have been allowed in this application. Claims 27-31 have been canceled previously. Claims 1, 10, and 17 are now being amended.

The presently-proposed amendments are to correct the form of several Markush expressions, to have then read properly in the alternative using "or" (see MPEP 2173.05(h)).

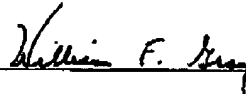

In view of the above amendments, the claims of this application are now deemed to be in proper form.

Respectfully submitted,
